## League Tournament Day!

Our team completed both the Robot and the Field Inspections with no problems!

## Team pit area with some presentation displays

The Bots of Glory team generously shared their practice field with the league.

## More pit displays

Our personal best performance was filling the cryptobox completely.

When we teamed up with Chaos Monkeys, we worked with them to score the 2 relics in the far zone for scores over 300 points.

Here is our Alliance Selection, where team 11090 Chaos Monkeyz chose us as their alliance partner! Overall, our team only lost 1 match in the entire league, winning 23 out of 24 matches total.

We won the Inspire Award 1<sup>st</sup> Place and the Winning Alliance! We are advancing to the Alamo Regionals!
